Game Limitations for Each Team

Teams are limited to 18 games - strongly recommended - and not to exceed 20 games (21 if playing a 3 game tournament). If a school loses a scheduled tournament game or a school is unable to attend a tournament due to reasons beyond their control, the school can reschedule lost games.

Game Limitations for Individuals

During the regular season, 5A, 4A, 3A and 2A athletes are permitted to play in no more than 80 quarters of basketball, or 84 if a 21 game schedule occurs because of a tournament; 1A athletes may play in 100 quarters of basketball. In addition, 5A, 4A and 3A athletes are permitted no more than four (4) quarters per day when playing one game. 2A and 1A athletes may play five (5) quarters per day when playing a one game schedule. All athletes are permitted to play eight (8) quarters per day when playing two games in one day against different schools.

Any 2A, 3A, 4A or 5A basketball program may request a waiver of the 4/80 quarter limitation, increasing the number of quarters their sub-varsity players are allowed to play to 5 per night and 100 per season upon a petition, signed by the school principal and athletic director, that verifies:

1. There are 14 or fewer participants in the program and the program desire to field two teams; or
2. There are 21 or fewer participants in the program and the program desires to field three teams; and
3. The lack of participants will cause the loss of a sub-varsity program; and
4. The lack of participants will cause the school to cancel scheduled games at the sub-varsity level; and
5. A reasonable number will be designated as varsity players (in any event, not less than 7), these players to remain subject to the 4 quarters per night and 84 quarters per season limitation; and
6. The school's coaching staff has not cut, nor will cut players, nor discouraged players from participating in basketball, regardless of ability.
7. If 1-6 occur anytime during the regular season due to illness or injury, a school may request a waiver during the regular season.

Individuals may compete in a junior varsity and varsity contest on the same day. Fouling out of a contest has no bearing on eligibility to participate in the second contest.

Individuals may play in a post season tournament (Sophomore, J.V., etc.) and then be eligible to participate in the varsity district tournament.

Players who exceeds the limitations of regular season participation will become ineligible for district, state or any other additional IHSAA sponsored basketball competition.

Number of Participants/ Coaches/Support Personnel

Varsity teams may have fifteen students in uniform at all play-in and state tournament contests at the start of the contest. Violation of this rule will result in the school being assessed a maximum fine for dressing more than the approved number of players at a state play-in or tournament game with forfeiture of the game if excess numbers play. All classifications will be allowed four coaches and three support personnel to be admitted without an IHSAA card or tournament pass. Any coaches or support personnel exceeding that number must have either an IHSAA card or purchase a tournament pass.

Rules

All contests will be played under National Federation rules. Rule books and case books will be provided to school representatives at the district rules clinic.

Rule 5-10

Students who participate in varsity level district contests may not compete in sub-varsity contests following the starting date of the varsity district tournament.

Mercy Rule

At any time during the fourth quarter when the point differential is 30 points or greater, the mercy rule shall be invoked. Once in effect, the clock shall not be stopped except for called time outs. Officials will notify the timekeeper that the rule is in effect. Once the rule is in effect, it will not be revoked. The mercy rule may be used at the discretion of each district tournament. The mercy rule will not be in effect during the state play-in, or state tournament games.

Official Ball

The Official Basketball for all play-ins and state tournaments will be the Spalding Precision TF 1000.

Practice at State Tournament Site

No team will be allowed to practice at a state tournament site.

Basketball Rules Changes - 2023-24

By NFHS on June 28, 2023 [basketball](#)

[Share](#)

[Print](#)

[Download as a PDF.](#)

2-1-3 NOTE (NEW): Requires the shot clock operator to sit at the scorer's and timer's table, if using a shot clock.

Rationale: Establishes the placement of the shot clock operator for those states utilizing the shot clock and the growing use of video boards that allow tablet control from anywhere in the gym.

3-4-5: Requires uniform bottoms on teammates to be like-colored while allowing different styles of uniform bottoms among teammates.

Rationale: Clarifies that teammates must all wear like-colored uniform bottoms but may wear multiple styles while aligning language with other NFHS rules codes.

3-5-6: Allows undershirts worn under visiting team jerseys to be black or a single solid color similar to the torso of the jersey. All teammates wearing undershirts must wear the same solid color.

Rationale: Allows schools with hard-to-find colors to wear black under visiting team jerseys while continuing to require all team members to match.

4-8-1: Eliminates the one-and-one for common fouls beginning with the seventh team foul in the half and establishes the bonus as two free throws awarded for a common foul beginning with the team's fifth foul in each quarter and resets the fouls at the end of each quarter.

Rationale: Improves flow by providing an opportunity for teams to adjust their play by not carrying over fouls from quarters 1 and 3 to quarters 2 and 4 while significantly reducing the opportunity for correctable errors to occur. Minimizes risk of injury by eliminating the one-and-one and reducing opportunities for rough play during rebounding opportunities.

7-5-2 thru 4: Establishes four throw-in spots (the nearest 28-foot mark along each sideline or the nearest spot 3-feet outside the lane line on the end line) when a team gains or retains possession in their frontcourt after the opponent commits a violation, a common foul prior to the bonus, or the ball becomes dead (i.e. inadvertent whistle or a held ball).

Rationale: Simplifies throw-in procedure when a team gains or retains possession for situations other than an out-of-bounds throw-in.

7-6-6: Allows the official administering a throw-in to the wrong team to correct the mistake before the first dead ball after the ball becomes live unless there is a change of possession.

Rationale: Allows for a correction of an official's mistake in a more reasonable timeframe.

9-3-3: Establishes that a player may step out of bounds without penalty unless they are the first player to touch the ball after returning to the court or if they left the court to avoid a violation.

Rationale: Allows a player to step out of bounds if they gain no advantage and penalizes a team only if they gain an advantage by leaving the court and returning to avoid a violation or to be the first to touch the ball.
