### CONSENT AGENDA

Jason Knopp moved, Jeff Stoppenhagen seconded to approve the Minutes from the January 23, 2019 Board of Directors Meeting.

Ron Anthony moved, Jason Knopp seconded to approve the IHSAA Board of Directors action via phone, email, fax.

## **REPORT AGENDA**

### **YEA Update**

Dick Curtis reported the YEA total account balances are at an all time high nearing \$4 million. He projected that \$135,000 will be set aside for distribution to schools. Spring Jamborees were down due to the weather. Priest River has become vested making District I completely vested. The next YEA Board Meeting will be held May 2, 2019.

### **Dairy West Update**

No report.

### **IHSAA Sports Medicine Advisory Committee Update**

No report.

### **2019 Girls Real Dairy Shootout**

Ty Jones reported that the tournament was very successful. The managers did a great job – many thanks to them. Finances overall were up \$6,500 from last year.

### **2019 State Wrestling Tournament**

Ty Jones reported the net profit was similar to what it was last year. Travis Bell did a great job managing the tournament.

### **2019 Boys Real Dairy Shootout**

Ty Jones reported the financials for the tournaments were down about \$2,000 from last year. Revenue was about the same, with expenses a little higher due to the increase in officials.

### **2019 State Debate**

Julie Hammons reported State Debate was held at Century High School this year. Overall it was a really great tournament.

### **2019 State Cheer and Dance Championships**

Julie Hammons reported this was a great event with close to 2,000 participants. There was an increase in on-site expenses due to the rental of a new sound system at the Idaho Center. The reserved seating, that was added last year, has been very successful and adding an additional section is being considered.

### **Schools of Excellence – Mid Year Standings**

Julie Hammons reported on the mid year standings and noted that they do not include the non-athletic activity GPA's yet. She also reiterated the change for the 1A/2A/3A being calculated by a percentage this year. There is no change for 4A/5A. The deadline for the Spring Academic State Champions is May 5, 2019. All non-athletic GPA's are due by May 5<sup>th</sup> as well.

### **IAAA Conference – Tol Gropp**

Tol Gropp reported on the IAAA Conference that was held April 1-2, 2019 at the Riverside Hotel in Boise. There was a great turn out this year with 117 in attendance. Bill Jones and Tracy Leinen were inducted into the IAAA Hall of Fame. The NIAAA Section 8 Meeting will be held outside of Spokane at the Northern Quest Resort June 22-23, 2019.

### **IHSAA Awards**

- **Interscholastic Star Student Scholarship** - Applications are due April 10, 2019.
- **Winter Sportsmanship Awards** – Letters are being sent to the winners. Thanks to all the schools for their participation.
- **Winter Academic Champions** – The winners were recognized and reviewed.
- **Spirit of Sport** – Nominations for this award comes from the schools. This award seeks to recognize a current coach or student that's left a lasting impression, has overcome adversity, or exemplifies the "spirit of the sport" in athletics or activities. Not for a star athlete.
- **Official of the Year** – Nominations are submitted by the District Board, of Control.

### **2018-2019 Winter Concussion Numbers**

Mike McHan reported this is the 4<sup>th</sup> year of reporting numbers. All the numbers have gone down or stayed the same except for girls' basketball and cheer which are showing a slight increase. Information will be sent out to all the schools if their concussion numbers have increased.

### **IHSAA Board Members – Expired Terms**

- School Trustees – TBD
- District V – TBD
- District VI – Chad Williams (Re-Elect)

The wrestling rotation will continue as is. The IHSAA is currently working with the Idaho Center concerning dedicated seating for handicapped.

## CLASSIFICATION COMMITTEE REPORT

A motion was made to adjust the classification numbers to the following.

5A	2500-1281
4A	1280-640
3A	639-320
2A	319-160
1A DI	159-85
1A DII	84 and below

A motion was made to allow schools to petition down, using the competitive equity form, if their enrollment falls within 10% of the bottom number of their classification category.

- A school that has 109 students could petition for the 1A DII category under the current classification.

Committee statements of emphasis were also made:

The classification committee also recognizes that non-boundary schools have a competitive advantage by the ability to recruit, and the ability to limit enrollment to maintain staying within a competitive classification. This should be a topic of continued discussion.

Suggestion to allow schools to petition up or down for Football only. Football has been the biggest part of the classification discussion for 20 years. If we considered allowing schools the opportunity to petition in FB only this may eliminate the majority of the issues and time spent in meetings trying to find a way to address the football issues but include every sport. The opportunity to petition does not guarantee approval, but the chance to petition, which is much like appealing a decision made in regards to eligibility.

The IHSAA Board of Directors is encouraged to support the recommendation of the classification committee as a sign of support for the committee process.
