REPRESENTATION – Boys and Girls

Representation from district to state is based on the number of complete teams that actually participated at the district tournament. Quotas for each district or regional tournament to state competition will be determined as follows:

Complete Teams Competing

<u>In District Competition</u>	<u>Teams to State</u>
1-3	1
4-6	2
7-9	3
10 – over	4

If only one team participates in a district, the IHSAA should be contacted to determine play-off procedures.

Beginning with the 2011 State Tournament, in the 5A classification only, one additional team from the host district will qualify for state. The team with the next lowest score will advance.

Individuals – Boys & Girls

Individuals may qualify for the State Tournament according to the number of complete teams participating in the district tournament. Example: District – four teams competing, the four lowest scoring individuals qualify for State.

Honest Effort A golfer who starts, but does not finish, the district tournament, may be counted in determining the number of qualifying teams and individuals provided the manager determines that an honest effort was made and that the non-finish was due to circumstances beyond the golfer's control.

TEAM CHAMPIONSHIP (Boys & Girls)

Each school may enter five players, but the total strokes of four players will determine the team score. Final team scores will be a combined 36-hole score.

SCHOOL REQUIREMENTS

Each school is required to send one adult scorer for each qualifying team. Names must be submitted to the district tournament manager at the conclusion of the district tournament.
