

Idaho High School Activities Association

Memorial Awards

Qualifications & Selection Procedure

I. PURPOSE

The purpose of the Hall of Fame is to preserve the heritage of high school activities in Idaho and to honor individuals who have excelled through a career of meritorious service and/or superior achievement. In addition to Hall of Fame inductees, three memorial awards are given each year.

II. MEMORIAL AWARDS

- a. Dick Fleischmann Memorial Award (est. 1986) This award is given to an individual who demonstrates expertise and dedication in conducting quality IHSAA state tournaments.
- b. Wes Lowe Memorial Award (est. 1986) This award is given to an individual who teaches high principles by example and who places students' well being far above personal gain.
- c. Duane D. Wolfe Memorial Award (est. 1993) This award is given to an individual or business from outside the educational community who has been a valuable IHSAA contributor for at least ten years. Contributions may be financial, service or a combination of both.

III. SELECTION PROCEDURE FOR MEMORIAL AWARDS

- a. Nominations will be solicited from district Boards of Control and will be accepted from member schools.
- b. Applications will be sent to all nominees and must be returned to the IHSAA office to be considered for the current year. Applications will remain active for three years.
- c. Recipients will be selected by the entire IHSAA Board of Directors.
