Frequently Asked Questions

Do playing out of state school effect the rankings?

- There is no difference in playing a team from your state or an out of state opponent. We do not use the state played for in the calculation. You will want to make sure that the opponent school has an up to date schedule on MaxPreps but that goes with any team you play. If an opponent's schedule is not up to date, reach out to Alisa Dancer, alisa.dancer@playonsports.com or 530-957-1575 to get the schedule fixed.

Does playing a lower or higher division team have any impact on the rankings?

- MaxPreps rankings does not take into account the division or league a team is playing in. Playing a 5A school is the same as playing a 2A. Playing a school **ranked** lower than you and losing could hurt your ranking.

What is the rating?

- Calculated using your win/loss and quality of win. Quality of win is based on where your opponent is ranked and if you won or lost.

What is the strength of schedule?

- Is the average rating of all your opponents.

Is there a Margin of Victory?

- Yes, each sport has a small margin of victory. Should you run up the score? No, it is capped and does not have a high impact on your rating.
- Margin of Victory maximums for each sport:
    - Baseball – 10 runs
    - Basketball – 20 points
    - Football – 21 points
    - Soccer – 5 goals
    - Softball – 10 runs

Do forfeits count?

- **"No-Fault" Forfeits** (both school administrations agree that the game can't be played) do NOT count in the rankings. **Do not select the forfeit button**. Game can be deleted from schedule.

- **"At-Fault" Forfeits** (one school violates a rule and/or contract to participate) count in the rankings and should be entered with a game score that is the maximum margin of victory per sport. If you do win as an "At-Fault" forfeit mark the score as – Football 21-0, Volleyball 3-0, Soccer 5-0, Basketball 20-0, Softball and Baseball 10-0. **Do not select the forfeit button**

- If the District Board of Control determines a breach of contract has occurred, schools will use "At-Fault" criteria when entering scores into MaxPreps or Track Wrestling, whichever is applicable.

What is the consequence for school's that do NOT enter game results/scores?

- All regular season and district tournament game scores must be entered by each member school on MaxPreps by midnight, Pacific Time, on the Saturday preceding the state tournament. Schools that fail to meet this deadline will be fined $1,500 per sport. Any scores submitted or modified after the deadline will not be included in the final rankings.

MaxPreps rankings are run twice a week. Each time it is run, it starts from the beginning of the season. If a team you played is ranked high at the beginning of the season and they lose their best player and start losing games, their rating could drop along with yours if you played them.

The more games you play helps but you can still be ranked high even if you are playing less games than your opponents. Especially if you are winning the games you do play.
